Dear Members

KWAZULU-NATAL ATHLETICS: COVID-19 VACCINATION CAMPAIGN

1. I trust this short brief will find you all well in these trying times of Covid-19.
2. Our federation is currently engaged in discussions with the National Department of Sport and Recreation about the reopening of our sport.
3. In order for our Sport to reopen soon and fully, we urge all our members to please vaccinate.
4. Clubs are requested to encourage their members to vaccinate and to collate statistics of vaccinated members. We will require the numbers of vaccinated members of each of our clubs to strengthen our case to reopen our sport.
5. We request clubs to provide us with lists of unvaccinated members who wish to be vaccinated and together with their areas where they are from so that we can set up Vaccination sites in collaboration with the Department of Health. The first report will be due on Friday 17th September 2021 to the KZNA office.
6. Those around Durban can go to the Moses Mabhida Stadium for your vaccine. You will be registered at the venue if you are not registered. There are drive-through sites in Kloof; Hillcrest and Umhlanga Ridge. Please let us make use of these sites and expedite the reopening of our sport. In all other District, kindly contact your local Health Office to find out about your nearest vaccination sites. Next week we will launch Athletics Vaccination sites.

Yours sincerely,

Steve Mkasi
